SECOND PRELIMINARY AMENDMENT

Dear Sir:

Prior to the initial review, please amend the above-identified application for patent as set forth below:

In the Claims

All currently pending claims, whether amended or unchanged, are listed below for the convenience of the Examiner. Please amend claims 29, 32, 48 and 51 as follows:

1. A method for establishing the validity of a display created by a general purpose creation device, said method comprising the steps of:
placing in said device media upon which information may be created, said media having preestablished thereon data which is unique to said media; and
